Sir/Madam,

**Sub:** Thiruvalluvar University - Reschedule of End-Semester examinations, Apr/May 2020 including practical examinations – intimation -Regarding.

\*\*\*\*\*

I am by direction to inform you that the End-Semester examinations, Apr/May 2020 including practical examinations, will be rescheduled as soon as the lifting of the lockdown period is over which is imposed due to the outbreak of the novel life-threatening COVID-19.

Further it is informed that the colleges and University departments should get prepared for the ensuing semester examinations that would be intimated soon after the lockdown period is over. Even in the Pandemic crisis, our University is committed to publish the results in time so that the outgoing students could proceed for higher studies and seek employment opportunities.

The revised timetable for April/ May 2020 examinations will be published afresh after the lockdown period is lifted.

Hence it is requested that the Principals of all affiliated colleges and Heads of the university departments must ask your faculty members both regular and guest faculty to complete and teach their portions through Webinar/ online teaching for the benefit of students community.

Yours faithfully,

REGISTRAR i/c
